 12. The Client realises that whilst we have excellent DJ backup in place, and every reasonable safeguard is assured, the breakdown of any electrical equipment can be an unavoidable occurrence and is often outside of our control. We will however make every reasonable effort to rectify the situation. In the extremely unlikely occurrence of a non-performance, or if a total failure occurs, The Client will be refunded in full. In this situation, this will be the full extent of our liability.

 14. No other persons or performers may use any of the equipment provided other than by prior consent of the Artiste.
 15. If performance time is requested in excess of that agreed overleaf this will be at the discretion of the Artiste and subject to additional fees charged at our overtime rate. Any additional fees must be paid to the Artiste in cash in advance of the extra services being performed. All requests for additional playing time must be cleared with the Venue management team beforehand.
 16. Any delayed set up time and subsequent delayed start time due to the overrun of any prior proceeding, or of situations outside of our control will not warrant any extension of the stated finishing time or any fee reduction. Such situations may include, but are not limited to, poor access, room clearing and dancefloor preparation.
 17. All prices include VAT at the current rate. We endeavor to ensure that the prices displayed are correct, however we reserve the right to validate/update prices before we process your order. In these instances, if this impacts on your order, we will contact to you to advise you of this. All prices are stated in GBP.
